

**Course name: Form and Design**

Course code: YAWFODEMNF

Hours per week: 1 lecture / 2 practice / 0 laboratory; E: exam / 5 credits

Department of Design

In charge: Prof. Gall Anthony PhD

For students of MSc in Architecture

Pre-requirements for Erasmus students: 3 semesters Architectural Design

**OBJECTIVE OF THE COURSE:**

The objective of the subject is to introduce students to the design and creation of modern objects as well as acquaint them with the changes in form and materials over the past 50 years. During the lectures students gain an insight into present-day design trends and styles and learn about the most notable designers. At the start of the semester students are given a topic and, in accordance with the syllabus, they must complete a study+plan+model by the end of the semester.
