Department of Design

In charge: Prof. Dr. Anthony John Gall

For students of MSc in Architecture

Pre-requirements for Erasmus students: 3 semesters Architectural Design

**OBJECTIVE OF THE COURSE:**

The aim of the course is to deepen the complex knowledge about architecture, through design as a creative process. An important element of the semester is the application of problem understanding, task management, choice of research methodology and application. Developing a confident architect's attitude to the relationship between the place's age and vision in the given task. The activity of the audience in a dense urban environment and the planning task are only a means to acquire and enrich proficiency and knowledge. The concrete work will take place in several locations in Budapest connected for the inner part. The preparation of a scientific student dissertation from the semester plan is strongly recommended, but not mandatory!
