

## **CASANOVA + HERNANDEZ looking for a responsible, engaged and inspired visualizer intern willing to participate in international projects**

Casanova + Hernández Architects is a very dynamic company busy with projects on different scales in the fields of architecture, urban planning and landscape architecture. Current projects are focused on sustainable developments, museums and eco-tourism.

We are looking for responsible, committed, dynamic and inspired interns, passionate about 3D modeling and rendering.

As an intern you will participate in international projects at very different scales, realizing 3D models in Sketchup and visualizations, as well as drawings and schemes for presentations.

The minimum duration of the placement is 6 months, starting on January 3, 2024.

We are looking for an intern who has:

- Affinity with our work is essential so, please, check our website
- Very good graphic and presentation skills and interest in international projects
- Very good level using Autocad, SketchUp and Lumion
- Can speak, read and write English
- Can work both independently and in a team

Note I: we cannot offer you summer internships and/or periods of less than 6 months, so, please, if your availability is for less than 6 months, don't apply to this specific vacancy.

Note II: if you come from outside the EU, please, be sure that you have already a valid visa to stay and do an internship in the Netherlands.

If you are interested, please send your CV and images of your work via e-mail (72 dpi, max. 3 Mb) to:
